## 👤 PROFILE

Recently graduated in the field of Logistics and Supply Chain Management with experience in global forwarding, transport logistics and financing. Driven and pragmatic person who likes to work in a team. Always giving my best and always eager to learn new stuff. I've developed exceptional communication skills through my past work and studying abroad experience. Graduated with Master thesis: Picking goods analysis with dedicated SKU location using Eye-Tracking technology. I enjoy traveling and I just finished 4 months of Work and Travel program in USA.
